Rebecca Caudill Young Reader's Book Award

You make the choice. Rebecca Caudill Young Reader's Book Award is where YOU vote for which book from the list, you think should win the award this year. You must read at least 3 to vote. If you read 6, you are invited to be part of our Battle of the Books team answering questions and competing against other middle schools. If you read 10, you will be invited to the pizza party. If you step up to the challenge and read all 20, we will take your picture and create a poster. Each time you finish, come have a conversation about the book with a library staff member and we will have charts on the wall to track your progress. You have until February to finish, so you have the time. Here's the list:
